Vietnam memorial rained out; now set for Memorial Day

By ALISON ALOISIO

The dedication of a memorial to Oxford County servicemen who died in the Vietnam War has been postponed to Memorial Day.

The event, which had been scheduled for Saturday at Rumford's Veterans Park, was postponed because of "the weather forecast and the fact that most of the political leaders have cancelled their attendance, and other unforeseen events," according to a press release issued Wednesday from organizer Len Greaney.

"Bob Richardson, the Commander of Post #24, and I have agreed to conduct the Vietnam War Memorial ceremony at 1:30 p.m. on Memorial Day (May 28) at Rumford Veterans Park in conjunction with his planned Memorial Day parade," Greaney said.

Among the 37 Oxford County servicemen who lost their lives in Vietnam are eight from the Bethel area.

Speakers lined up for the original May 19 observance included Gov. John Baldacci, U.S. Rep. Mike Michaud, Gen. William Libby, Diane Jackson (for Sen. Olympia Snowe), Carlene Tremblay (for Sen. Susan Collins) and Sheriff Wayne Gallant.

Details of memorial

The new memorial will be located next to another in the park that honors Oxford County veterans from World War I, World War II, Korea and Vietnam who are buried around the world.

The park is next to the falls on the Androscoggin River.

The Vietnam memorial is a large black granite stone, Greaney said. It carries the inscriptions, "All Gave Some, While Some Gave All" and "We're Bringing Them All Home," and includes a laser-etched battle scene collage.

A press release from Greaney said.

Bethel reval poised to shift property-tax burden toward single-family homes

By MICHAEL DANIELS

The recent discovery of a \$1.5 million SAD44 "investment account," which can be tapped to help reduce school taxes, is good news for Bethel taxpayers — especially homeowners, who are, despite the found money, still looking at a substantial tax hike this year.

"The school system couldn't have found a better time to find money," said Town Manager Scott Cole. "This couldn't have been scripted better."

"The bad news for homeowners is that there is going to be a shift of the tax burden, with single family homes picking up a larger share of the burden than they are currently."

That shift is a result of the 18-month townwide revaluation, which is slated to be completed in early July.

The town's last revaluation was 20 years ago, in 1987, and since then the value of residential property has increased faster than other forms of taxable real estate.

In 1987, residential property made up roughly half of Bethel's total valuation, but such property will make up about three quarters of the total when the current revaluation is complete.

And as a consequence of that shift, Cole said, the tax bill for a typical single-family home

The tax bill for a typical home is expected to increase by 20 to 35 percent.

Decline continues in real estate sales

By ALISON ALOISIO

Statistics released recently by Maine Real Estate Information System, Inc. shows that statewide sales of single-family homes generally declined for the period of January through March of this year, as compared to the same period in 2006.

That was the case in Oxford County, which saw a 23 percent drop in sales, according to MREIS.

Statewide, the average decline was 6.79 percent.

A similar trend is reflected in the number of deeds from Bethel-area towns that were registered with Oxford County during that period.

Not apples to apples

The numbers of deeds registered in Oxford County for the first three months of each of the years 2003 through 2007 are shown on Page 3.

The deed numbers include sales of single family homes, as well as condominiums, land and other property.

The numbers do not include "releases" listed at the Registry of Deeds, some of which may reflect additional changes of property ownership.

For most local towns, deeds activity for the first quarter

Effort revitalized to establish a retirement community somewhere in the Bethel area

By ALISON ALOISIO

The effort to create a Bethel Area Retirement Community is back on track, and organizers are raising funds to finance their work.

Last year, a proposal by the Bethel Area Retirement Committee to develop a community on National Training Laboratory property fell through when the site was sold to another party.

And shortly afterward, a firm that had been hired to do a feasibility study did not come through, according to BARC. (The firm has since refunded the committee's payments.)

But those bumps in the road are now behind BARC, according to member Allan Crane,

and a new feasibility study is now underway.

The scope of the new retirement community project will likely be larger than the earlier plan.

The targeted age group is now more inclusive than in an earlier study, which assumed an over-75 clientele. The new proposal will be for those over 55.

The NTL site proposal called for a combination of approximately 30 to 50 independent living, assisted living and memory loss units.

Background Crane said local retirees will reach a point at which they

Former bank manager from Bryant Pond sentenced to 63 months in federal prison

By MICHAEL DANIELS

A former Bryant Pond woman has been ordered to report to federal prison in Danbury Conn., to begin serving a 63-month sentence for embezzling and defrauding more than half a million dollars from elderly customers of a bank branch she managed in Bucksport.

Wendy (Faulkingham) Dunlea, 34, was sentenced last week in U.S. District Court in

Bangor.

Dunlea, a 1990 graduate of Telstar High School, had pled guilty in December to several charges of bank embezzlement and credit card fraud.

She had faced up to 30 years in prison and a fine of \$1 million on the embezzlement charges; and up to 10 years in prison and \$250,000 in fines for the credit card fraud.

In addition to the 63-month federal prison sentence, Dun-

lea was also sentenced to five years of supervised release and ordered to pay \$579,000 in restitution to the bank and credit card companies.

Dunlea's crimes took place between January 1999 and July 2005, when she managed the Bangor Savings Bank branch in Bucksport.

According to court documents, she targeted high balance accounts with little activity

Her victims were elderly bank customers, ranging in age from 78 to 91, and includ-

ed the mother and father of a Maine District Court judge.

She also admitted to opening credit card accounts in the names of her own parents, without their permission, and charging more than \$25,000.

According to court documents, the money was spent on vacations, home improvements, jewelry, furniture, appliances and other household furnishings including nearly \$5,000 for a television and \$1,700 for a framed shirt that

FOOTBALL BASH, AND MORE

To the Editor:
The Greenwood Spartans and Woodstock Wolfpack youth football programs will be hosting their 1st annual "Spring Football Bash" for grades K-8 this Saturday, May 19 from 1 to 4 p.m. at the Jackson-Silver Post on the Gore Road in Greenwood. This event — open to all area youth — will include pizza, snack and drinks and is free of charge. Some of the activities planned are updates from the coaches about off-season activity, a football bloopers video, a football trivia contest, video clips from the last season's Spartans action, and some clips from the Patriots first championship season leading to their Superbowl 36 upset victory over the St. Louis Rams. Also on the agenda will be the introduction of the new flag football program for grades K-2 that will be arriving this fall and will be free of charge to any interested youngster.

In other news, the youth football parents will be having a yard sale to benefit the program on June 23, location soon to be determined. Anyone having items they would be willing to donate to the yard sale can drop them off at Teresa's Hair Studio at 86 Church Street in Bryant Pond. Drop-off hours are as follows: Mondays through Thursdays from 8:30 a.m. to 6 p.m. and Saturdays from 8:30 a.m. to 2 p.m. During these hours someone will be there to unload your items.

Finally, on Aug. 18, ten former players from the New England Patriots will be here to spend a day with the youth football players and help raise money for the program. There will be a 7-on-7 flag football game pitting the alumni Patriots against the youth football coaches, followed by a sit-down session with the youth to discuss the importance of school, hard work, dedication and sacrifice, teamwork, sportsmanship and having fun. An autograph session will conclude the first part of the day. After a break in the activity, the players will join us for a dinner, open to the public. Each of the ten players will "captain" a table and converse with people over the meal. During dinner a silent auction will be held and will include a football signed by all of the alumni. Sponsors are needed for each of the players. Our thanks for being a sponsor will include being seated next to your table "captain" at dinner, free admission all day, and a chance to join the Patriots on their flag football team, which includes a Patriots jersey with your name on it. Sponsor slots are limited, so if you are interested and want more information, call me at 824-4676. Sponsorships will be awarded on a first-come-first-served basis.

WHITECAP LAND GRAB

To the Editor:
As a person new to the area, I find injustices do not discriminate in any state of the union, although I was optimistic it would be the way life should be in Maine.

As case in point, look at facts surrounding the Mahoosuc Land Trust's (MLT) recent land grab of WhiteCap Mountain: 1) MLT submitted an application of questionable integrity to Land for Maine's Future (LFMF) for "free" grant money to the State of Maine; 2) This application misled LFMF and all the kind and generous local fundraisers and donors into thinking they were purchasing the summit; 3) Information and photos of the beautiful view from the Kersey's land, and wild blueberries on the Kersey's land, were included in this application and in numerous publications to the local community; 4) LFMF allocated grant dollars to MLT.

What happens now? 1) MLT doesn't have to contribute to the Rumford tax base; 2) A pristine local resource is being advertised on the worldwide Internet with no provision for conservation and removal of waste; 3) Motorized vehicles may not be permitted; 4) MLT and www.maine-huts.org can start planning development of this area.

What happens next? 1) The Kerseys continue to contribute to the Rumford tax base; 2) MLT's established public interest outweighs private interest and they persist until they get what they actually came for — the summit!

To Maine landowners: be cautious that you don't have property MLT wants. To all the fundraisers and donors of the Whitecap Project: demand your money back. To the Kerseys: thank you for graciously allowing us to enjoy your land for the past 40 years. Now you need to get up a fence and post it and don't forget — no good deed goes unpunished.

MORIN FAMILY THANKS

To the Editor:
To everyone who has helped us in a time of need, words cannot express the gratitude we have toward everyone that has helped in one way or the other. So I will just say: I just want to thank you/For the kindness that you've shown/For being there to support me/In ways that you've not known/And for always being there/When I needed a listening ear/For praying, and for offering hope/And for showing me you cared.

ST. NEVER'S SALE

To the Editor:
Just a quick note to remind everyone of the annual St. Never's sale on Saturday, May 26, 9 a.m. to 3 p.m. to be held under the big tent on my side lawn at the corner of Broad and Mason streets. We have lots of gifts of "stuff" for the sale, but are still looking for more in good condition (no clothes or computer equipment please).
Those who wish to donate items can leave them on the back porch of the O'Neil Robinson House (building next to the Bethel Library), 10 Broad Street, or on my driveway side porch at 18 Broad Street at any time. If pick-up is necessary, please give us a call at 824-2908 to make arrangements.
We are also inviting people who wish to join us for the sale to come with their "treasures" and rent one of our 3-foot by 6-foot tables for \$20. Just give us a call at the above number to reserve a space.
All income from this sale benefits the Historical Society and its programming.

GIRLS ASSOCIATION THANKS

To the Editor:
The Western Maine Girls Association would like to thank all those that helped to make the third annual Community and Family 5k event a wonderful success. The awesome road spotters: Elise, Betsy, Brenda, Read, Ellie, Jonathan, Abbie, Scott, and the Siegel family.

Thanks to the Water District for use of cones, the Chamber of Commerce for use of vests, the Fire Department for use of stop signs, the WMGA board members Sheila Donahue, Beth Clarke, and Kim Ramharter who helped at the event.

Thanks to the raffle contributors: Big Adventure, SpiritWings, True North and New Balance. A big thank you to our financial donors: The Maine Women's Foundation, Maine Community Foundation, the Stifter Family Foundation, Wentworth Woodworking and J.W. Wheeler Insurance. It truly takes the community's help to pull off such an event.

Lastly, we do have some spots at the Maine State Triathlon in August, donated by the Chamber of Commerce for individuals who would like to participate with team tiara. This is the charity running "leg" of Girls on the Run. Individuals pursue a goal, i.e. the triathlon to raise money for the Girls on the Run program. We try to offer the program for a fraction of the true cost to the girls, which requires ongoing fundraising. Anyone interested in learning more about the team tiara program is encouraged to contact Kate Goldberg at 824-3459.

Again, a big thank you to all our supporters!

Memorial

Continued from page 1

aney dated May 3 provided more background and details regarding the memorial:

"Not to be forgotten are the men and women who came home from the war to be insulted and defamed," the release said. "We recognize their service, one and all. They served their country in an unpopular war. Their service is to be remembered and honored just as we have always honored each of our servicemen/women."

"The serenity offered by the gentle sound of the waterfalls in the background will provide a healing effect for those who visit," he said in the release. "The family members of the casualties will participate in the ceremony, which comes late but our intention is to make up for lost time."

"The event will not be the end

of our search for casualties. During 2007 and 2008 we will request information regarding "After Discharge Deaths" related to Agent Orange exposure," said Greaney's release.

"During the past four years, I have analyzed and observed an alarming number of Vietnam vets who died at a young age after discharge.

"After a verification process, we will have their names etched on the back of the memorial stone with a special inscription."

Greaney said he expects to add more names to the Vietnam memorial because it is expected that other Oxford County casualties will be identified.

Support still sought
Greaney said organizers are still collecting donations to help fund the new memorial.

A total of \$295 has been contributed from the greater Bethel area, he said. His group had hoped to receive about \$3,000 from this area to cover 21 percent of the cost.

The total cost of the memorial is \$11,600, with an additional \$1,500 for related expenses and \$2,000 to go toward a Vietnam Veterans Scholarship Fund, open to college-bound Oxford County students.

Anyone wishing to donate may send checks to Oxford County Vietnam War Memorial Fund, c/o Len Greaney, 74 Andover Rd., Rumford, ME 04276.

(Note: Profiles of the eight Bethel-area servicemen who lost their lives in Vietnam will appear in next week's Citizen. More information on the rescheduled dedication will also be included.)

In our back yard:
Opening camp with the environment in mind

After a long Maine winter, it's that time of year again when the earth starts to warm and the lakes shed their icy coats. Soon it will be time to have fun in the sun — swimming, boating and fishing at your summer retreat. But first there is much work to be done: the cottage needs to be prepared for the season, the water line needs to be hooked up, the dock needs to be installed, and boats need to be launched.

When going through this yearly ritual, it is important to consider possible harm to streams and lakes and the surrounding environment from these activities. After all, one of the main reasons you go to the cottage is to enjoy the area's unspoiled beauty.

With regard to repair and maintenance to your retreat's buildings and grounds, take care when using cleaning agents, paints and stains. Use natural products like baking soda and lemon juice when cleaning. More information on cleaning products from less harmful materials can be found at the Maine Department of Environmental Protection's pollution prevention website: www.maine.gov/dep/oia/p2/consumerapp.htm.

When using paints and stains, consider using earth-tone colors so that buildings and other structures will blend better with the natural shoreline. Paint or stain docks away from the lake and allow at least 14 days of drying time before putting them in the water. Make sure to clean brushes, etc., away from the water to prevent materials from washing into the lake.

This may be a surprise to you, but when cleaning up winter debris on the property, do not rake up the duff layer of leaves and pine needles that build up under the trees.

These leaves act like a sponge and filter, and help prevent pollutants from getting into the lake. As a cottage owner, it is one of the best things you can do to protect lake water quality.

Check the shoreline and other areas of the property for soil erosion. Stabilize these areas with vegetation or rock riprap. If more than minor maintenance and repair is required, or if structural measures are necessary, contact your local code enforcement officer and the DEP to determine if permits will be needed before doing the work.

With regard to your septic system, check the leach field for any breakouts and consider having the tank pumped if it has not been pumped in the last three years. A properly functioning septic system prevents harmful pollutants from getting into the lake.

When preparing your boat for another season, make sure to dispose of drained lubricating oils at a recycling facility or bring the oil to your local dealer for disposal. Wash the boat away from the water or at a commercial car wash. Check to make sure that the boat, trailer and other equipment are free of any hitchhiking plants. And tune up that motor.

Following these simple rules when opening up your cottage will go far in protecting the natural resources you so enjoy as a cottage owner. We all must work together to ensure that our natural resources remain in good condition for future generations.

This column was submitted by William Laflamme, coordinator of the Maine Nonpoint Source Training and Resource Center with the Maine DEP's Bureau of Land and Water Quality.

Watershed conference cancelled

BETHEL—The "Impacts of Global Warming on the Watershed Conference," scheduled for Thursday, May 17 at the Bethel Inn Conference Center, has been cancelled. A spokesperson for the Androscoggin River Watershed Council, which was to sponsor the conference, cited lack of registrations as the reason for the cancellation.

Detector, BPD officer at THS/TMS

BETHEL—Following several bomb threats, SAD44 officials Tuesday put in place a metal detector at Telstar high/middle school. The School Board also approved funding of a police officer at the school for the remainder of the school year. "We're moving on this very aggressively," said Supt. Dave Murphy at Monday's board meeting. A meeting to inform parents about the situation also took place Monday night. After each threat, students have been transported to the Gould Academy Field House and Crescent Park Elementary School. Murphy praised the students' conduct and the cooperation of Gould and all district staff involved, and expressed appreciation for the assistance of Bethel Police Chief Alan Carr, the Bethel Fire Department and Bethel Rescue.

School budget referendum set

BETHEL—The SAD44 School Board Monday set June 12 as the date for a district-wide referendum on a \$9.9 million FY'08 budget. A public hearing on the budget is scheduled for May 29 at 7 p.m. at Telstar High School.

Selectman favors school alliance

BETHEL—Bethel selectman Dennis Doyon advocated to the SAD44 School Board Monday for an alliance between school officials and area selectmen "for what's in the best interest of the school district," as the Maine Legislature crafts school consolidation legislation. The plan would likely call for SAD44 to merge with SADs 21 and 43. Doyon expressed concern that under such a scenario SAD44 towns would not have much say in decisions. He urged directors to be in touch with area legislators about the progress and content of the legislation. Doyon also suggested that directors might consider using a \$1.5 million investment account recently recognized by district officials over the next two years, instead of the proposed three, in case the consolidation legislation led to it being redirected elsewhere. The account has been earmarked to offset taxes and establish a Capital Reserve Fund for capital improvement projects. Doyon praised Superintendent Dave Murphy for bringing the account to the attention of the board as soon as it was established that the funds were available.

Apply for storm assistance

PARIS—Oxford County residents who have a claim related to the Patriot Day Storm may still submit an Individual Assistance Claim, according to Scott Parker, the county's emergency management director. Interested individuals should contact their Town Office, request a Form 7, and fill out the front and back side.

Softball clinic at THS

BETHEL—A softball clinic by Higher Ground Softball will take place June 29 through July 1 at Telstar High School. Sessions will include training in all skills. The cost is \$160. The organization has conducted clinics in 40 states and in other countries, according to information provided by HGS. Hidden Heroes nominations

OXFORD—Twenty-five finalists will be chosen from Oxford County to be honored at the Festival of Recognition for the Hidden Heroes Project at the Oxford County Fair on Friday, Sept. 14, at 7 p.m. Participants must be at least 14 years of age. The nomination letter must be no longer than 150 words and typed or legibly written; longer letters will be disqualified. All letters must be postmarked by midnight, Aug. 1 and sent to Hidden Heroes Project, Box 619, Norway, Maine 04268. Writers are asked to make sure the nomination letter includes the name, address, telephone number and age of the writer. Limit is one nomination per participant. The nominee must be a living resident of Oxford County who is no younger than 14 years of age. will increase by 20 to 35 percent. Without the infusion of cash from the SAD44 investment account, Cole said, the taxes would probably have risen by another 2 or 3 percent. On the other side of the tax scale, commercial and utility properties will almost certainly see a decrease in their new tax bills.

"The revaluation itself is a revenue neutral action from the town's point of view," Cole noted. Bethel's proposed budget for the coming fiscal year calls for raising \$3,831,078 from taxes, down \$120,927 (3.1 percent) from the amount raised for the current year. "The total levy is going down, the tax rate is going

down," Cole said, "but for residential properties tax bills are almost certain to go up." "There will be isolated cases where taxes do not go up," he said. "Modest houses will be on the low end." Tax bills will go out in late September, with the first payment due Nov. 15. Preliminary notices, indi-

cating the new property valuations will be sent out in early July, Cole said. And he offered a rule of thumb for anticipating a property's new tax: If the valuation increases by less than 58 percent, the tax will go down; if the valuation increases by more than 58 percent, the tax will go up.

Retirement

Private pay
The community would be primarily private pay, Crane said, with no Medicaid-funded residents. But the committee is exploring ways to help people who might need assistance to finance their residency. That is one of many reasons, he said, the committee has been building a relationship with Community Concepts. The agency provides social services in the region. As for medical services, BARC has held discussions with Stephens Memorial Hospital of Norway, which Crane said has endorsed the project. **Destination retirement**
In order to keep costs of retirement services as affordable as possible for local residents, the committee also wants to create an economy of scale, Crane said. The more retirement residents BARC can attract, the cheaper it will be, he said.

For that reason, the new proposal will also reach out to people beyond this area—those who see Bethel "as a destination retirement area," said Crane. Two ski areas and two golf courses, together with the other outdoor recreation resources, make the region very desirable for retirees, according to Crane. "Retirees are more mobile than they used to be, and more willing to move," he said. Crane said the targeted age group would be more inclusive than the 1993 study considered. That study assumed an over-75 clientele. The new proposal will be for those over 55. Crane said an expanded retirement community plan would likely include more than 50 units. And based on the experience of existing destination retirement communities in Maine, he said, approximately 50 to 60 percent of the res-

idents would come from outside the area. Because of the larger scale, a potential site would likely need to be at least 40 acres in size. The NTL site was just over eight. Crane said the committee is currently looking informally at potential locations, for "one that says, 'Bethel,'" he said. A Powerpoint presentation the committee has presented to interested groups describes the "dream" location: "A location that speaks to the Bethel area's character, mood, and unique qualities; river and mountain views and access; conservation/forever wild areas, walking trails, and bird watching areas; close to Bethel shops and services." **Fundraising**
BARC recently sent out nearly 100 copies of a letter requesting donations to support the committee's work.

They were sent to people whom members knew had expressed interest in the earlier efforts. BARC hopes to reach more through the Powerpoint presentations and the media. The letter notes that the first phase of the current feasibility study will cost approximately \$6,500, and is expected to be completed in about 90 days. The study will be followed by a marketing survey, at an estimated cost of \$10,000. Anyone interested in contributing may send donations to the Bethel Area Retirement Committee, P.O. Box 223, Bethel, ME 04217. BARC is incorporated as a nonprofit and gifts are tax deductible. For more information, contact Crane at 875-2829. Other members of the committee are Larry Engdahl, Bill Herlihy, Susan Herlihy, Peggy Wight, Jan Stowell, Charleen Chase and Dan Johnson.

had belonged to former Boston Bruin forward Cam Neely. The list also included down payments on a mobile home, two Harley-Davidson motorcycles and an SUV. Dunlea's crimes came to light while she was on maternity leave in 2005. "A customer and a bank employee noted some transactions that appeared not to be appropriate and we launched the investigation from there,"

said Bangor Savings spokesman Yellow Breen. No BDN customers ended up losing money as a result of Dunlea's activities, according to Breen. "The bank made all our affected customers whole," he said. Breen characterized the embezzlement as "the worst fraud in the bank's memory." Dunlea's sentence of 63 months was "enhanced" under federal sentencing guidelines from a base level of six to 12 months by five factors: the amount of money in-

volved, the fact that her victims were elderly and considered vulnerable, that there were more than 10 of them, that she abused a position of trust, and that she used sophisticated means to execute her schemes. When those enhancements are applied to the base-level sentence, the guidelines call for a prison term of from 63 to 78 months. According to Dunlea's attorney, Wayne Foote of Bangor, she was sentenced at the bottom of the range because she had admitted her guilt and

has undergone substantial counseling to help her understand the motivations behind her actions. When Dunlea's crimes were discovered in 2005, her husband, Timothy Dunlea, of Carmel, filed for divorce. He now has full custody of the child, a daughter, she was carrying at the time the crimes came to light. Wendy Dunlea has since returned to this area. She is to self report to the Federal Correctional Institution in Danbury on June 13.

Bethel

by Virginia Keniston

The Gould Academy Classmates '38, '39 and '40 enjoyed

lunch recently at the Serendipity Cafe.

The ladies who gathered were Virginia Hutchins, Kay McMillin, Arlene Brown, Virginia Keniston, Mary Keniston, Elizabeth Bane, and Christie Knight from Rumford.

Mary Keniston has had Ruth DesRoches of Alna visiting her for a day. They enjoyed lunch and toured Sunday River to tend to her husband, Fred DesRoches' memorial bench at Sunday River Cemetery.

When she left, she surprised Mary with a Mother's Day basket of flowers.

Sharon Hadley of Waterford was in town on business and called at Mary's for a visit. On Saturday evening Mary's son, Donald Rice, was a visitor and invited her for a Mother's Day dinner.

He also invited his sister, Donna Rice-Howe, and Roma Wilson, both of Waterford to join them and enjoy dinner with them.

Buzz and Linda Gamble and Arlene Lowell were in Orono May 12 to attend Sarah Gamble's graduation from the University of Maine.

An item in the "Local Aruba Today" newspaper noted Phyllis Cross' visit to that island in March. Melissa Arnson of Bethel was also vacationing in Aruba at that time and read the account.

Phyllis was reported by the paper to have enjoyed watching a marriage ceremony there that took place on a schooner named the "Jolly Pirates."

Mayville News

By Donald G. Bennett

Just over the river from Mayville, remodeling of the C.N. Brown gas station, a former Red Top enterprise of Esther Crockett, into a Dunkin Donuts plus has progressed to the roofline.

Looking like an entrance to a basic geometry class, the roofline has two protractors and a triangle.

Schiavi Homes' sales center in Bethel held a first anniversary open house over Mother's Day weekend. Reports from the sales center say that Saturday was their busiest day; Vermont license plates were the most numerous seen in the parking lot; in general 2007 sales have been very promising in spite of a definite flatness in the broader home sales market.

Saturday, I drove to Bethel

village and Irving's gas price was \$2.99 (for a whole week) but when I returned only a half-hour later the signs read \$3.04.

Our big Mother's Day celebration event was to sight-see new developments along the Sunday River Road and visit MtWill.com. On the valley floor in what we had thought was a flood plain we saw the new two-unit condos that are the Mountain Vista Condos located on both sides of the new road that threads its way up the west side of Mt. Will. For those who have not made the trip yet we discovered that Sunday River has its own new "million dollar bridge" as the link between flatland and hillside.

At the end of the paved road one has a gorgeous view of the Barker Mountain area ski trails and the Red House Farm Village.

I can remember around 1940 standing in the field by my Crosby grandparents' "Red House" to view the once and former hillside pasture that we were standing in on Sunday, near an under-construction home, to look back at the same spot where I had stood 67 years ago.

Word on the street is that sales of the Mt. Will lots have gone very well. Sixty lots were available and over thirty percent have been sold. For us, however, Mt. Will was like seeing Powder Ridge II.

Also on our sightseeing trip we veered off into the Mt. Will View road to check on my Bennett grandparents' former retirement home now standing in development land having moved out of Mayville so that Irving's Mainway store could rise in its place. It was pleasing to see how another Mayville migratory home, the one built by Rollie and Philippa Glines, has been so well treated with impressive new landscaping, front porch, garage, traditional cupolas and steel roof.

This house took two moves in order to land where it is today.

Another moving department item: Gary Savage told me that he and Sandra have received a get-ready-to-move alert. But in their case, the whole house moves (with them in it or not). They will be headed for a newly cleared lot one property south of Bethel Animal Hospital on the Walkers Mills Road.

New birds department: This week we saw our first hummingbird at our feeder; a downy woodpecker, a pair of cardinals and passing blue jays have arrived, too. Our raccoon family clean-up crew

visits our deck every evening now for any leftovers. Monday, the 14th, we had our first frost since returning from Florida. After four days of 50 to 80 temperatures, we have returned to normal, clear and invigorating weather, 35-65 in the shade.

High-flying kite department: One of the families who live on Deer View Road was out flying kites Sunday night. They must have set a new altitude record for kite flying in Mayville because we estimated that their kite had reached at least 200 feet or more into the air about 7 p.m.

Remember, get things off graves at East Bethel Cemetery if you wish to keep the items. East Bethel Cemetery clean-up day is 19 May with a rain date of 20 May. Clean-up starts at 9 a.m. I do wish more people would come besides the five old ladies who come every year.

The Alder River Grange supper schedule for the new supper season is as follows: 16 June is turkey, 28 July is meatloaf and mashed potatoes, 18 Aug. is baked beans and casseroles, 29 Sept. is pork loin, 20 Oct. is the harvest supper and 10 Nov. the turkey supper, with a free supper for any and all veterans. We had to raise the price to \$7 for over 12 years old. For 12 and under it is still \$3.

Shirley Lowell and Nancy Mercer attended Bethel Senior Citizens at Alder River Grange on 9 May.

Louise Twitchell has been in Bridgton Hospital. She may be home by the time you read this.

Jack and Lucy Nordahl are

back from Florida. They lost their RV in a bad accident; neither was hurt. They have a new seven-month old puppy named Dallas.

Paul and Charlotte Kimball hiked in the new Margaret Ring Park in Greenwood on 12 May.

Velora Tuominen of North Norway and Jim Kimball visited Charlotte Kimball on Mother's Day.

Diane Howe hosted a first birthday party for Kimball Coolidge on 5 May at her home. He is walking all over the place now and wears himself out.

Mr. and Mrs. Dawson Smith of Surry, Mr. and Mrs. Gary Fuller of Greenwood, Gloria Crockett, and Wayne Bean visited Arlene Harrington on 12 May for a Mother's Day visit.

Now I have my own bear story. About 12:30 Saturday morning, I had to go and then I turned on the outside light to check for my outside cat. There was Bruno pulling my milk jug feeder out of the birch tree and laying down to clean it out. I tried to get a picture of it all, but flash came back from the glass and blinded the print (too bright). He had taken down four other feeders as well.

Who lost what looks like a mailbox key? I, Nancy, have the key. Give me a ring at 824-3350 if it is yours.

God bless the troops.

This past Sunday was Mother's Day. The weather was

great and I hope everyone had a wonderful day. I certainly did. Our son, Chris, called to wish me a Happy Mother's Day, and later on our

grandson, Ben, called from Ellsworth. Tim and Michele stopped by with Ajay and Sidney and visited for a while.

The hummingbirds always come back for Mother's Day and this year was no exception. Two of the women (Eileen Meisner and Vickie Cummings both of Albany Township) that I work with in the Adult Education Office, announced that the hummingbirds had arrived at their places at the first of last week. My feeders went out last Wednesday and sure enough the hummingbirds arrived the next day. I have had reports that my next-door neighbor, Linda Smith, has seen them, and also, Dan Cole called to say he had some at his feeders too. Dan has a pair of Baltimore orioles that stop by to feed. Since the male oriole is hard to miss with his bright orange, we have noticed him at the hummingbird feeder. There have been a couple of pairs of rose-breasted grosbeaks at our feeder along with the usual birds. There was also a brown thrasher that was hopping around the lawn and up onto the deck. Linda said that she had seen him also.

Alicia McLean and her daughter, Morgan, attended an overnight with Morgan's Brownie Troop at Sunday River this past weekend.

My brother, Steve McLain, stopped by this past weekend to visit and since he is one of the selectmen, he had to sign some paperwork for the town.

Selectmen's Meeting
The selectmen met on May 9 and discussed a few issues that are coming up for the town to decide on. They looked at estimates for the pickup that may be purchased and discussed a possible plan for a town office.

Gilead Fire Department
The GFD attended a training session in Gorham, N.H., this past weekend. There were fire departments from all over New Hampshire.

This is another reminder that the planning meeting for the June 23 Friends and Family Day is this Saturday, May 19, at 1 p.m. at the Town Hall. The GHS is going to need lots of help to make this event happen. It is a great way to get together once a year and visit. There will be a parade, music, clown and kid games again this year.

West Bethel

by Lorrie Hoeh

Well, spring has sprung all over the place! We are hearing oven-

birds, whitethroats, and various warblers in the woods. On Friday a male rose-breasted grosbeak visited our feeders several times, and the hummingbirds are back in force. The shadbush is in bloom, and it seems much fuller than we have seen it in the past.

Pat and Bob McCartney e-mailed me a photo of a bird for identification, and it turned out to be a brown-headed cowbird, which is somewhat parasitic, in that it lays its eggs in the nests of smaller birds for

fostering. As the eggs hatch, the cowbird, being larger, crowds out the legitimate residents. However, my books tell me that this doesn't have a very serious effect on the bird populations.

Another sure sign of spring is that the alpacas are having their babies. So far Sunday River Nell has had her cria, Kansas, and S. R. Androscoogin birthed hers (as yet unnamed) on Monday morning. In addition, Hazel was born to one of Maureen's boarding alpacas. In contrast to last year, when out of five crias only one was female, this year's crop so far is all girls. There are two expectant moms left, so it is an exciting time at Sunday River Alpacas.

Sherry and John Colarusso flew up from Florida last Thursday to spend a few days in their Mud City Schoolhouse camp. First order of business was to remove a tree (with some help from good Samaritans) which had "relaxed" onto the roof, fortunately doing no damage. That cleared away, they soon had their water system up and running again and had time to enjoy the gorgeous weather and spring wildflowers and birds.

I met up with the Innans on Sunday as they walked their puppies, Maggie and Scout. The sister and brother are

growing fast and are quite playful. Calli told me that she was going to be playing field hockey that afternoon with her Crescent Park teammates.

On Saturday morning I joined about 200 others, including around 115 girls from seven area elementary schools, their friends, and families, in the annual Western Maine Girls on the Run 5k walk/skip/run, starting and ending at Crescent Park School. The event, which draws a larger group of participants every year, is a fundraiser for the program which is designed to raise aspirations, build self-esteem, and broaden horizons for girls of elementary school age and beyond. Everyone wears a "No. 1" sign on her/his back, and everyone is a winner in this non-race. At the end of the event there was a drawing of prizes donated by area businesses, and bubble blowing in memory of "Bubbles" Buyze, the late mother of Kate Goldberg who coordinates the Girls on the Run program.

Congratulations are in order for Christine Trefethen, who has completed her academic work in occupational therapy at the University of Southern Maine's Lewiston-Auburn Campus. When her fieldwork is completed in 2008, Chris's degree will be a Master of Oc-

cupational Therapy. Her first fieldwork placement will be at a neurorehabilitation hospital in Lewiston, and the second will be a pediatric placement in Norway. On Saturday evening, friends and family helped celebrate the culmination of Chris's three years of very hard work, balancing home, motherhood, and school.

You would think that the above would keep anyone busy enough without doing anything else. But on June 15-17, Chris will again participate in the American Lung Association of Maine's Trek Across Maine. Cyclists will bike 180 miles from the Sunday River Ski Resort here in Bethel to the Owls Head Transportation Museum on the coast.

This year Chris is riding in honor of her Aunt Betty who passed away last year. Her goal is to raise \$1,500 for the Lung Association in her memory.

To help Chris reach her goal, you can go to the ALA-ME website home page, www.maine.org/Events/Trek/index.asp, and click "pledge a trekker," type in "Christine Trefethen," and that brings you to Chris's Web page for secure online giving. You can also contribute by writing a check to ALA-ME and sending it to Christine Trefethen, PO Box 667, Bethel ME 04217.

I noticed that Lynn and Bud Kulik's mobile home is once again parked near the corner of Flat Road. This will be the last year they park there, for their in-town house will be their summer abode after they finish with renovations.

Senior Citizens met last week at the Alder River Grange. They were treated to a delicious meal prepared by chef Jim Lowe. Also last week, Barb Mahler and Jane Hosterman attended a meeting at Fryeburg Fairgrounds, comprising granges which have put exhibits in the past and plan to do so again in future.

Jane Hosterman told me that she and all the other women present at the Union Church services on Mother's Day were the recipients of potted pansies with bows and cards, generously provided by Nancy Grover, herself the mother of two lovely daughters. Jane also had a gift from daughter

Susie, which required her to go to Pooh Corner to collect a gift certificate.

Linda Westleigh celebrated Mother's Day by first driving to Laconia with Lisa, Paul, and Laura Pivin. Later they stopped at son Jimmy's home in Shelburne for a cookout. They were joined there by Reggie and granddaughter Annie Pivin. It was a thoroughly enjoyable day for all.

It was a lovely Mother's Day for me, starting with phone calls and/or visits from all three daughters, and culminating with some of my favorite foods.

We had our first asparagus Sunday evening, along with the fried clams and fish and chips we picked up at The Lost Gull, after attending the matinee production of "Enchanted April" at The Public Theatre in Lewiston.

Hope to hear from some of you in the coming week: 836-3011; dhoe@megalink.net.

Newry

by Sylvia Harrington

On May 8 a message was left on my machine that my friends Tim and Car-

ol Small were in Lancaster, N.H., on their way home from Tampa, Fla., and Dallas, Ga. Would it be possible for us to meet at the Bear River TP? What a great surprise! We arrived there about the same time. They were on their way home to Orrington. They both looked great, thin and tanned. A few years ago they took up kayaking while in Maine and have found many places to paddle to in the Tampa area.

The day before I had delivered pollywog eggs to the Mahosuc Montessori School in Bethel. I would have to say they were the best looking wog-eggs I have ever taken in. The children get to observe them hatch and grow before the end of school. At that time they come out to Newry to release them in the very small vernal pond area where they originated. We have been doing this for about 10 to 11 years.

It is now turkey hunting sea-

son. It started April 30 and extends for five weeks. Last evening before dusk I heard several guns being fired. Wednesday I was told that the hunting of turkeys is from sunrise until noon each day. The season doesn't last long, and it is now held in all counties of the state. Doug of the BRTF will give me a final count. At this time about 25 have been tagged. While visiting with the Smalls I was told the BRTF now sells Maine Italian sandwiches that are made each morning. They also have Kaiser rolls of ham, salami and turkey with cheese and lettuce. Coney Island hot dogs are still on the fare as are many varieties of coffee, including iced coffee. Pumping your own gas isn't much of a problem and is usually 2 to 3 cents less at BRTF than at other local carriers.

At night besides owls I have been hearing the bark of mama fox. From my distant observations it looks as though there are three kits.

I just put up a hummingbird feeder. At this point I have not seen one, but with the warm weather they should appear soon. Polly and Bob Davis say they have showed up at their home in Bethel. They also have a fox who lies on the wall across from their entry.

My cousin Richard sent me an article this winter about hummingbirds that are found much further north during the cold months than ever before.

"Busy - Busy - Busy!" The annual race to get all those chores done before the arrival of the obnoxious black flies.

The weekend gave us very beautiful weather. Sunday was cool but excellent for digging and scraping. The air was pure and sweet. Trees are beginning to show signs of leafing. The lake, of course, is free of ice. The reflection of the trees with their many colored buds and early greenery is very pretty.

The waterfowl are enjoying the ice-free lake. Loons, assorted ducks and geese are scouting for nesting places. Two baby eagles are thriving. An osprey dove in front of me in the cove retrieving a good

SWING YOUR PARTNER—More than 100 people turned out recently in North Newry for a night of food, music and dancing. Polly Mahoney and Kevin Slater of Mahosuc Guide Service sponsored the dance in their timber frame barn on the Bear River Road. The evening began with a potluck dinner, followed by a concert. Then the tables and chairs were moved to make room for the Buttermilk Hill Band from Belgrade. Band members John & Ellen Gawler taught barn dancing, at the beginner level, to traditional New England music. John and Ellen were joined by their friend Stuart McConnell also from Belgrade. Pictured here at center is Jeff Newsom of Bethel dancing with some visitors from Alabama, who were staying in Bethel. At right Kevin Slater dances with Becca Follansbee of Brunswick. size chub for his lunch. There are flickers, many robins, goldfinches, tree swallows and ravens. The hummingbirds have arrived. Sue Angevine had the first males on May 5. The females arrived on the 9th. The males arrived in our area on the 9th of May. We have three males and no females. Territorial wars are in progress now and the little devils are pretty feisty. It's pretty cold in the morning, but they arrive at the feeder around 5:30 for their first sip of the day.

We need rain very badly. It is as dry as a chip. Last week we had a brief shower, which did a little good for one day, making green things shoot up.

May is the month for birth-

days here. Belated Happy Birthday to Sue Nelson, Ginny Williamson, Jennifer and Paul Casey, Richard LeComte and Dick Angevine. I'm sure there are more but they are keeping it a secret.

A Happy Mother's Day was enjoyed by moms, grandmothers and great-grandmothers. Simone Lavalley wins first prize by having the most descendants in town.

Lucille and Earl Largesse are on their way home from Arizona. The last we heard of them they were in Iowa. They have a "fifth-wheeler" R.V. and I imagine the gas consumption would break the bank.

Steve Ruell, of Canaan and Upton, was in Washington D.C., on May 8 and 9 to re-

ceive an Engineering Excellence Award for Kleinschmidt Associates of Pittsfield from the American Council of Engineering Companies. The award was for his engineering design of the "Aquapod," an open ocean spherical fish farm invented by Steve Page of Searsmont, who also received an award. On May 9 they were received at Senator Olympia Snowe's office at the Capitol, where she offered them her congratulations.

have returned from a five-day jaunt in Hainesville. Jim had to mow the lawn at their camp. It will be another week before we have enough green stuff to mow.

Sue Nelson spent Mother's Day with her daughter, Tara, and her grandchildren in Thomaston.

The Stanczyks were at their son's home in Durham "dog sitting" two rambunctious golden retrievers.

"The Bird of the Week" is the baby "emu" that appeared on the front page of The Citizen last week. What a face! Second choice is the tree swallow who is very busy looking for insects. Next week he won't have to look so far.

Hanover
by Clem Worcester

Fire departments from five area towns responded to a kitchen fire on Main Street in Hanover Village on May 8.

Residents of the home, Dennis and Cindy Theriault, noticed the fire and went to work with a garden hose in an attempt to contain the blaze. Next-door neighbor Norm Ferguson saw what was going on and ran a hose from his house to assist in the effort. By the time the fire departments arrived the fire was nearly contained. There was some structural damage and significant

smoke damage and fortunately no injuries.

Ray Taylor and his daughter, Jennifer Kreckalow, have been at The Grand Heap at Howard Pond for several weeks, and they expect to return later for a more extended stay.

Barb and Irv Robinson are at their Hanover home, Rocky Retreat.

Reminder: A public dinner will be at the Rumford Grange at Rumford Center on May 20, starting at noon and going until 1:30 p.m. Smothered Beef is on the menu.

Gardner Roberts Memorial Library Association had a meeting on Friday, May 11, at the Hanover Town Office. It was noted that the cement pad at the new site for the library was installed and the library building had been cleaned out. It was thought that the building might be moved before Memorial Day. The Association accepted the resignation of Trustee Deirdre O'Callaghan whose work keeps her from being in the area regularly. Chris Howe was named to fill the vacancy. The Association sent a get-well card to Joan Tucker who recently had surgery and is recovering at her daughter's home in Windham.

Planned for Saturday, July 28, is a dedication/fundraiser for Gardner Roberts Memorial Library. The afternoon and early evening extravaganza will include a live band. It will take place at the new site of the library building. More information will be released as the event nears.

Hanover residents and the Gallant Family mourned the loss of Lorraine Gallant during much of last week. Services were in Rumford on Thursday. On Saturday, Lorraine's sister, Theresa Myles, was buried at Hanover Cemetery following a brief committal service. Theresa passed away on Jan. 22.

A new handicap ramp and parking lot is under construction at the Hanover Town Office. The new ramp will help to make the town compliant with the Help America Vote Act.

The weatherman predicted scattered showers on Friday.

The sun was shining one minute followed by very heavy rain almost like sleet. It lasted for about five minutes then the sun returned. I could not find a rainbow. The daffodils were beaten down but are still smiling brightly in the flowerbed.

At the West Paris Universalist Church on Sunday, May 20, Debbie Dembski will lead the service at 9 a.m. Jim Burke is organist. A coffee hour follows.

Marta Clements is enjoying a bridge cruise to Europe. She has reached one of her retirement goals and has become a life master in the American Contract Bridge League. She is now working toward becoming a Bronze Life Master. Congratulations Marta!

Beryl Bonney, Donna and Owen Melville and I attended the supper/dance at the Locke Mill Legion Hall. They are held the second Tuesday of each month during the summer months. The Parisians will play for the dance in June.

Peggy Lamb of Augusta visited her mother on Mother's Day and brought the lunch to celebrate. She also brought a large, pink potted plant to brighten up the sun porch.

Beverly Stevens has been playing Huckleberry Finn this past week. Her picket fence is now glowing with a fresh coat of white paint. Ann and Fred Goulding visited on Mother's Day.

Beverly and Vince Stevens were in Portland to see his sister, Narvie Stevens, at the nursing home.

Muffin seems to enjoy living with me. She is playful most of the time and will run from one end of the house to the other. So far she has not tried to go outside. I was told she had never been out. She has a round, soft cloth mouse and will put it into her water dish whenever it is nearby. It dries quickly and then she dunks it again.

On Mothers Day we took in a wonderful play down in Norway,

"A Funny Thing Happened On the Way to the Forum" (and it was funny!).

It was held at the old Norway Grange. Andover residents Steve and Claire Sessions, who are members of The Oxford Hills Music and Performing Arts Assoc. were involved.

On Saturday my daughter Kelsey and I attended a graduation party for my nephew Alex Mills, who graduated from the University of Southern Maine, with a degree in music performance.

The Calvary Bible Church invites you to "Friends Sunday" as soloist, Krista Stickler of South Carolina, shares a message of hope and peace through song, on Sunday, May 20 during the morning worship service at 10:45 a.m. For more information, please contact Pastor Ken Wagstaff at 392-1121.

Sympathy is extended to John and Agnes Foster, for the loss of his sister, Dorothy Stearns, who died on May 1. She was a resident of Rumford Corner.

Sympathy is also extended to the family of Grant Conrad, who died unexpectedly on May 11, in Laconia N.H.

Grant grew up in Andover, attending Andover Elementary School, and graduating from Telstar. Besides his wife and children, of Laconia, he is survived by his father and stepmother, Theodore and Sandy Conrad of Andover, his mother, Winona Stecher, of Bethel, two brothers, Garth Conrad and Glenn Conrad of Andover, and a stepsister Martha Luttrell of Rockland.

A memorial service will be held at the Jehovah's Witnesses Kingdom Hall, Holderness N.H. on Saturday May 19 at 2 p.m.

Congratulations to the following Andover students who achieved the honor roll at Mountain Valley: 11th grade, Kayla Downs; 12th grade, Abby Mills.

The River Valley Blue Devils (13-under) enjoyed a successful basketball season on the AAU circuit, capturing the State championship last week-end in Portland. They went undefeated, 5-0 in the tournament. Seventh grader, Izaak Mills is a part of the team, coached by Dave Radcliffe.

Did you know that cutting open your corrugated cardboard flat and stacking it neatly in the container will save us over \$1,200 in hauling fees annually?

All of us making small efforts make a big difference when it comes to cost savings at the dump. Everyone is welcome to participate at the next Transfer Station Committee meeting Thursday, May 17 at 6:30 p.m. at 20 S. Main in the old Post Office building.

We are preparing for the Town Transfer Station informational meeting which is scheduled for Thurs, May 30 at 7 p.m. at the Town Hall.

Special thanks to all of the willing and supportive TS Committee Volunteers for assisting with making improvements at the Transfer Station.

Foxgloves and daisies opened for the season this past weekend, just in time for Mothers Day.

Have a nice weekend.

Last Monday evening Mona and I returned from a delightful 10-day trip to Ireland with 16 other members of the Perham family and friends. I hope to provide more details of the trip over the next several weeks or perhaps in a single feature length story, if approved by Mike Daniels.

Over the course of the trip we all became close friends and thoroughly enjoyed each others' company. For this week I only have time and space for a listing of those on the trip besides Mona and myself.

Joe and Peg Perham: Delightful couple known by most folks around here for their humor and pleasant personalities.

Gil and Peg (Perham) Turner: Quiet types, but fun, inquisitive and enjoyable. Peg suffered some of driver Matt's sarcasm resulting from some of her questions.

Ray and Maryann (Perham) Brown: Another fun couple, full of humor and off color comments. Maryann planned the trip itinerary.

Doug and Kathy Perham: A bit quieter than most of the Perhams, other than when in loud discussions with the other Perham women.

John and Iris Perham: A unique couple; Iris is originally from Belfast, Northern Ireland and retains the forceful Irish manner, while John is easygoing and not much bothered by the "slings and arrows" of others.

Martha (Perham) Sirois: The quiet one of the Perham girls.

Nancy Perham: The party girl.

Patty Perham: Companion to Nancy, only not quite as demonstrative.

Margaret (Perham) Barry, daughter of John and Iris: An-

Albany

by Sheila Dyke

Greetings & Hello from Albany Township. What lovely weather we mothers had for Sunday. It was very nice to be able to go out and see the greenery and early spring flowers. I hope that everyone had a very nice weekend.

It's so hard to believe that graduation is just a little over 3 weeks away. Our daughter has been busy with getting everything in order to start college this fall.

I thought that the application and acceptance process would be nerve wracking — it's the testing and getting all necessary paperwork into the college that you're going to that's nerve-wracking.

Best wishes for a happy and safe week. God Bless & Keep.

Bethel Library

Bethel Library Association Plant Sale will be held on Saturday, June 2, from 9 a.m. to 10 a.m. No rain date.

It's time to get into the garden and dig for the Library Plant Sale. Remember: what you don't want in your garden may be just what someone else is looking for. We appreciate donations of weed-free, pest-free, healthy perennials that have outgrown their space in your garden.

Please label your plants with a water-resistant marker and bring them to the library any time after Friday morning (June 1). Please leave them on the handicapped ramp. Pricing will begin Friday evening, so early drop-offs are appreciated.

For more information, please call Michelle Conroy at 824-2520, Pinky Rinebold at 824-0470, Norm Davis at 824-2844 or Susan Day at 824-2741.

Thank you for supporting the Bethel Library Association in this fundraiser that's such a great example of community spirit.

From

Mahoosuc Land Trust

After reading Carl Hiaasen's newest novel, "Flush," a group of fourth-grade boys, including Aiden Clark, Kyle Babcock-Walker, Mike Rodway, and Walker Alford are working together to help raise money for the Rumford Whitecap Mountain Project.

The kids have decided that the cause is one that will positively affect many local families. As a result, they want to involve any CPS student who is interested, in a fundraising effort. The boys are organizing a walk-a-thon to raise money to protect the mountain. Any participation is entirely volunteer and is not required.

Many of us have spent afternoons hiking, picnicking and picking blueberries with family along Whitecap's trails and summit. We hope that with our help, these experiences will continue to be a part of our lives.

With the support of some students at CPS, there will be a walk-a-thon held during physical education classes from May 21st through May 25th. During one class, students will walk laps under the supervision of Mr. Brown or Mr. Falank. The maximum number of laps that a student can walk will be 50 during a 40-minute period. Students will be seeking pledges per lap. All proceeds will go to help the Mahoosuc Land Trust maintain the acreage on Rumford Whitecap Mountain.

For information, call Ginger Kelly at 824-3806 or e-mail her at gk@mahoosuc.org.

Bethel Senior Citizens

The Bethel Senior Citizens Club met May 9 at the Alder River Grange Hall in East Bethel for their meeting and luncheon with 33 members present. President Nancy Mercer conducted the meeting and led the salute to the flag.

Reports were given by Arlene Lowell, and, in the absence of treasurer Jane Hosterman, the treasurer's report was read by Colleen Boyd. The door prize was won by Nancy Kimball and the 50/50 raffle by Eleanor Brooks. Other prizes were won by Ernest Angevine and Marilyn Gilbert.

Caroline Gould asked members to save labels and Hood's Red Sox milk caps for education for children.

Nancy received word about the bus for the trip on the Song Queen. The price is \$50 an hour. The club will discuss this at the next meeting.

The next meeting will be June 13 at Pleasant Valley Grange Hall in West Bethel. Meeting will start at 11 a.m. The speaker will be Jay Boschetti. His topic will be antiques.

A small key was found at the Alder River Grange Hall; if this is yours, call Nancy at 824-3350.

The speaker was Tineke Ouwinga. She presented a very interesting program about her life during World War II. She was born in the Netherlands, moved to Belgium and then to Canada with her family. Tineke and her family endured many hardships; food was scarce but her mother managed to get food for them. The Germans invaded Belgium May, 1940, without any warning. When the Germans came her mother would send the children to her sister's to hide them to keep them safe. They were liberated first by the Canadians and then the Americans. Several members of the club were veterans and added comments.

May birthdays are: Irene Anderson, Sandra Gunther, Cecile Lescault, Maggie Ring, Louise Twitchell and Marie Witter.

Lewin Center

"Are you curious about what's been happening at the Gehring House on Broad Street? The Lewin Center has been busy and has lots of plans for the future," reports Program Director Nancy Davis.

For many months an ambitious maintenance program has been underway, and now plans are beginning for the restoration of the beautiful house.

The Gehring House is the venue for a variety of Bethel area educational programs, especially those offered by the Goose-Eye Institute for Creative Economy and the White Mountains Senior College. It is also the site of group meetings and retreats, as well as large social events.

A TLC Bethel Committee has been busy in a variety of sub-committees: William Andrews, Gwyneth Bohr, Allen Connors, Don Coverdale, Al Cressy, Ginger Kelly, Bonnie Pooley, John Shorb, Jan Stowell, Dick Taylor, Jeanie Waite, Nancy White, Steve Wight, Robin Zinchuk.

Volunteers have been busy in the gardens, and we're looking for more volunteers. If you're interested, call Nancy Davis at 256-6956.

Bethel Rotary Club

The Bethel Rotary Club is entering its busiest fundraising season of the year.

The Bethel Rotary Golf Tournament will tee off June 18 at the Bethel Inn and Country Club.

Later that week, on June 23, the Bethel Rotary Annual Yard Sale and Auction will take place at Telstar High School.

The events help fund local scholarship programs and other community service projects, and provide support to projects of other area organizations.

The club will award approximately \$7,000 in college scholarships next month to local high school students.

In addition to the fundraisers, club members are also providing hands-on help to area camp programs. On May 5 members helped with clean-up at the Maine Conservation School in Bryant Pond.

In early June, they will do the same at Camp Susan Curtis in Stoneham.

The club recently inducted two new members, Deb Verrill, an executive recruiter, and Deb Ricker, a bank manager.

Next week the club will host several members of a Group Service Exchange team from Switzerland. The Rotary International program is designed to promote international understanding through the exchange of young businesspeople between countries.

Rotary overview The Rotary Club of Bethel is very active in local community service projects and in providing financial support for other area organizations.

In recent years the club has funded a town clock for Bethel and the construction of bridges at Camp Susan Curtis in Stoneham.

Annually, the club sponsors a Christmas Senior Citizen luncheon and distributes Christmas gifts to needy area children with its Christmas for Children effort.

We also support cultural exchanges with foreign countries for area students

and adults. And as part of Rotary International projects, we provide funds for medical services for Polio Plus (polio immunization) and Rotoplast (surgery for children with cleft lip).

In addition, we fund our own individual overseas projects, such as a water system for a school in Kenya, and a portable dental unit for Uruguay.

Regular fundraising activities include several annual events: an auction/yard sale; a golf tournament; two country breakfasts; and food booths at several community events.

We are happy to have interested individuals join us for breakfast on Tuesday mornings. For more information contact Steve Wight at 824-2410.

However, the Board of Western Mountains Senior College suggested we notify the public as anyone interested may participate.

The training includes 15 hours for the basic bereavement volunteer role (one-to-one companionship, phone calling, etc.) and 12 additional hours of training to become a grief group facilitator. Classes are usually held two days a

For 2007 our Mod V boats offer improvements in direct response to customer feedback—improvements that make a difference. The wider beams on some models for added stability and a remote easy-fill fuel tank on others. To discover these and other TRACKER advantages, visit us at www.trackerboats.com

From Bethel Historical Society's Regional History Center

"Old Days on the Androscoggin" is the 2007 theme for the 28th annual Faye Taylor Memorial Art Show on May 26 from 10 a.m. to 4 p.m. at the Dr. Moses Mason House. Sponsored by the Society, the show highlights a historical theme for students in SAD44 (Grades 1-6) to consider in entering the competition for awards in three divisions. Each entry should relate in some way to this theme. Specific guidelines have been distributed to each classroom in the district. Those wishing further information should call the society at 824-2908 or (800) 824-2910.

St. Never's Day Sale
Once again, the society will

hold its annual St. Never's Day sale on Saturday, May 26, 9 a.m. to 3 p.m. at the corner of Mason and Broad Streets under a tent. Items in good condition (please no clothing or computer equipment) are welcomed and may be left on the back porch of the O'Neil Robinson House, 10 Broad Street (next to the Bethel Library) or on Stan Howe's side porch at 18 Broad Street at any time. Those needing pick-up should call the society office.

Once again this year, the society is offering a 3 x 6 foot table for rent under the tent for those who wish to join us in selling their items. The rental fee is \$20 per table and spaces are limited. Anyone wishing to register for a table should call the society office at 824-2908 or (800) 824-2910. All profits from this sale benefit the general operations of the society and its programming.

From Oxford County Democrats

The May meeting of the Oxford County Democrats' County Committee was held in Rumford May 10 and featured a Powerpoint presentation by the young people from Mountain Valley High School, their teachers, and a parent, who made an April trip to New Orleans to work for Habitat for Humanity.

"This was an incredibly inspiring presentation and it was clear that the experience has significantly affected all who attended," said County Chair Cathy Newell. The students who presented at the meeting were Maeglin Jolin, Christina Puiia, Tayla Cunningham, Terissa Ridge, Molly Kaubris, and Christie Folsom. Others who went on the trip are Jessie Sirois, DJ

Gerrish, Devin Roberts, Aaron Cayer, and Maddy Alyward. The adults who accompanied the students on the trip were teachers Kristin Tyler, Ken Baker, and Carrie Youcis. They, plus parent Jim Ridge took part in the presentation. Sara Nies of MPBN also went on the trip and assisted in the preparation of the video. The Oxford County Democratic Committee is looking forward to a busy summer of festivals and parades, and will be holding its annual summer fundraiser and Family Fun Day on Sunday, Aug. 26, at the Conservation School in Bryant Pond.

Cathy Newell and Roy Gedat have continued to develop the electronic newsletter and the website, www.oxforddems.org.

Anyone who would like to be added to the e-mail list may contact Cathy Newell at cathyn@megalink.net.

REAL ESTATE AND YOU

LANDSCAPING ENHANCES YOUR HOME'S VALUE

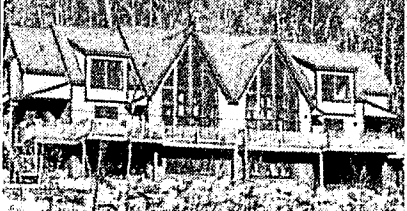

Many buyers call our real estate office for information on a home after reading an appealing description of the property features. When you are selling your home, make sure the reality matches the description! The exterior of your house and the yard will create the first impression for prospective buyers when they drive up to your house. Spending money on landscaping can bring you excellent returns when you sell your home. It also enhances the value of other properties in your neighborhood.

You don't have to spend a fortune or develop an elaborate landscaping plan to make your front yard look terrific. If the yard is neatly mowed and trimmed and there are colorful plants blooming, the outside appearance of your home will make a good impression. A good nursery can help you select plants that will grow well and require minimal care. If you are planning any permanent changes or additions to your property, ask your Realtor for advice.

SHIRLEY MARIE KEITH

Shirley Marie (Snell) Keith, 82, of Newry, Maine, passed away on Friday evening, May 11, 2007. She peacefully followed her devoted husband, Robert D. Keith, who died on March 1st of this year.

Shirley grew up in West Bridgewater, Mass., where she met her future husband, Bob. They were wed on December 6, 1942 and enjoyed

a long and loving marriage. Shirley leaves six children, Thomas and his wife Mary of Damariscotta; Paula and her husband Don Hilliard of Kalspell, Mont.; Jeanne Worrick and her husband Michael of N. Grafton, Mass.; Nancy and her husband John Lacer of Currie, N.C.; Robert of Brockton, Mass.; and James and his wife Celeste of Bethel; along with nine grandchildren. She also leaves one sister, Sherry Trudeau and her husband Rusty of Fla.; and one brother, Ronald Snell of West Bridgewater, Mass.; along with many nieces and nephews.

Shirley was known for her loving kindness to all and was well loved by all who met her. She always had a kind word and smile for all who crossed her path. She devoted herself to her family and was an active member of her community. Her many talents included sewing clothes and costumes for her children, painting, and her involvement in the Bridgewater Players Group. She also wrote a column for several years for the Bridgewater Independent, entitled "The Launching Pad". She loved antiques and worked at several auctions, in addition to serving on the Bridgewater Planning Board in the 1970's. She spent many happy days sailing with her husband and family in Buzzard's Bay and Mattapoisett, Mass. The family began taking vacations to the Bethel area in the 1950s, and fell in love with the beauty and peacefulness of the Maine woods.

When she and Bob moved to Maine in 1983, her outgoing personality gained her fast friends and she became a member of the Newry Mother's Club. She enjoyed her home in Newry, especially the beautiful trees. Her greatest joy in life was getting her family together at holidays and throughout the year. The family will hold a gathering of friends and family in Newry this summer, to celebrate the lives of Shirley and Bob.

Arrangements by Greenleaf Funeral Home, 37 Vernon Street, Bethel.

**To my Brother David R. Daye
May 22, 2006**

A million times I've thought of you, A million times I've cried.
If love could save you, you never would of died.
I kneel by the side of your grave
With a burdened heart and a troubled mind,
And I cry for you brother, I loved so much.
I know he'd hate to see me cry, But everything went wrong,
I wish we could go back, I'd take all your pain away.
I need to tell him I love him, I haven't in so long.
You see I miss him terribly, We were close he and I
Why did you have to leave me, I feel so all alone.
I long to see you again, To hear your voice you'd say,
Sis I really love you and now I am OK.
Dear Lord give me strength to bear this awful pain.
Tell him that I love him Lord, A big brother he'll always be.
Rest in Peace my best friend, C-Ya was his saying,
He never said good bye.

Love Your Sister,
Cheryl A. Daye-Heath

**In Loving Memory
David Roderick Daye
May 22, 2006**

God saw you getting tired, And a cure was not to be.
So he put his arms around you, And whispered come to me.
With tearful eyes we watched you, And saw you pass away.
And although we love you dearly, We could not make you stay.
A golden heart stopped beating, Hard working hands at rest,
God broke our hearts to prove to us, He only takes the BEST.

Love Always,
